You have used 0 of 1 submissions

PROBLEM 2-3 (1 point possible)

Choose the item from the list of potential responses that best matches: recursion

- lexical scoping
- abstraction
- glass box testing
- induction

Final Check

You have used 0 of 1 submissions

PROBLEM 2-4 (1 point possible)

Choose the item from the list of potential responses that best matches: successive approximation

- indentation
- Newton's method
- syntax checking
- cloning

You have used 0 of 1 submissions

PROBLEM 2-5 (1 point possible)

Choose the item from the list of potential responses that best matches: [:]

- keyword
- mutation
- cloning
- black box testing

Final Check

You have used 0 of 1 submissions

PROBLEM 2-6 (1 point possible)

Choose the item from the list of potential responses that best matches: paths through code

- glass box testing
- black box testing
- indentation
- syntax checking

Final Check
